

Walton Park

svtwp.org

Walton Park is located on the corner of Elm and Main Streets on the edge of the Village.

The park has newer playground sets, swing sets and more recently musical play equipment! The equipment was purchased with a combination of grants and money raised from parking during the Potato Festival.

The park also has a pavilion that is available to reserve for daytime use. For more information please email [tbonecutter \[at\]](mailto:tbonecutter@svtwp.org)
