LOCATION OF WORK _____

WORK TO BE DONE (attach plans and contact info) _____

THE DESCRIBED LOCATION On/Across or Along/Adjacent to _____ Road,
work will commence on or about _____ and will require _____ days.

If this permit is granted, I/We agree to the following conditions:

1. That traffic will be maintained at all times, unless permission is granted by the Spring Valley Township Zoning Inspector to close the road.
2. That disturbance to road surface and shoulders will be kept at a minimum and that trenches will be backfilled with gravel and tamped, so that settlement of the material will be minimized. If settlement does occur, additional suitable material will be put into place and compacted.
3. That the road surface at the trench will be replaced with material of the type that was removed and that the new surface will conform to the grade of the undisturbed surface.
4. That lights, signs, barricade and if necessary, flagmen and watchmen, will be placed on the job for the protection of traffic at all times, day and night, during the time this work is being done and that instructions, given by the Spring Valley Township as to handling of traffic, will be fully complied with.
5. That, I/We assume the responsibility for and will save the Spring Valley Township harmless from any and all claims for personal injuries and property damages, and shall defend any action that might be brought due to this work. To cover this responsibility, I/We have the following insurance, which is in force and will remain in force during the prosecution of their work.
6. Concrete drive construction shall not extend beyond the R/W or a minimum of five (5) feet of Item 304 from edge of pavement.
7. That the responsibility under this permit will remain in force until a release had been granted by the Spring Valley Township Zoning Inspector.

- 8. That I/We assume responsibility for protection of County owned water and sanitary sewage facilities within the road, and shall fully compensate the county for the repair or replacement of any such facilities damaged as a result of this work.
- 9. That any trees, fences shrubs, etc., be no closer than 30 feet from center of road. This is to ensure branches, etc., do not interfere with school buses or fire equipment and also to ensure an area for underground utilities (i.e., electric, phone, cables) and to help maintain township ditches.

Permit to do this work under the conditions stated in the above application is hereby granted subject to the applicant's acquisition of any and all other necessary authorizations including but not limited to other necessary county agencies, townships and other non-county entities. Such authorization must be obtained separate and apart from this application.
