

Senior Center

The Spring Valley Senior Center is funded through a levy, a variety of donations, fundraisers, and grants. This Senior Center is an important community center, and we encourage anyone from Spring Valley and surrounding communities to get involved or volunteer!

In July 2013, the Senior Center moved to its new location of 2551 US Route 42 South, right next to the Fire Department.

Please check out the [Spring Valley Senior Center website](#) for information and upcoming activities.
